58 Letter no 2344 d 4.6.21 from the Supdt. Govt Printing states that 4 binders were given 3 pies extra per hour in addition to usual wages in consideration of them having kept aloof from the recent strike and that later, on representation from them they have been allowed to draw the extra wage for one year from October 1920 with anticipation of Govt. approval

2) The Supdt states that this extra allowance amounts to the sum Rs 96/ thus being comparatively cheaper than the bonus of Rs 354/- granted as bonus to menial men

Submitted for orders. 3) This small encouragement appears to be well deserved

To

K. Matthan, Esq., B.A.,
Offg. Chief Secretary to the Government of
His Highness the Maharaja of Mysore
BANGALORE

SIR,

I have the honour to state that during the recent strike of the Compositors, Pressmen and Binders of the Government Press, four Binders, viz., V.Varadarajulu, G.Venkata Naik, K.Hanumiya and M.Kempanna stood firm and stuck to their duties, in spite of every effort made by the strikers to induce them to join their ranks even at the risk of their lives. As they showed a spirit of devotion to duty at a period of anxiety and also performed work which became heavy for them on account of the paucity of the men, each of them was given three pies extra per hour in addition to their respective class wages of two annas six pies each, in lieu of the bonus granted to the workmen of the Branch Press for such devotion which will be more costly. This extra wage gave them on the average an addition of rupees two to their monthly earnings.

After the termination of the strike, the men prayed that this concession may be continued to them in consideration of their devotion to Government duty, and I have --

therefore in anticipation of Government approval permitted them to draw the extra wage for a period of one year from October 1920 which amounts to Rs: 96/- for the whole year against the sum of Rs: 350/- granted to Mysore men. As it will be an incentive to the men to show appreciation of their services rendered at a difficult time and as it does not involve any heavy additional expenditure, I beg that my action be approved

I have the honor to be,

Sir,

Your most obedient servant,

O Ramachandra
